**Member Agreement**

- 1. Basic annual dues are \$50 individual or \$100 family, due on enlistment and each anniversary date. This fee includes liability insurance required for participation in sanctioned events, use of unit-owned equipment and weapons and purchase of large unit items. I agree to maintain current membership for me and participating family members. Those with expired membership will not be allowed to use unit equipment or participate in spectator presentations or reenactments until paid.*
- 2. Members are responsible for the costs of uniforms, leather goods, weapons, and personal encampment supplies. Many of the camp activities and drills do not require full uniform. By the last training drill, all required items should be obtained. Some items will be provided temporarily by the unit as available but must be signed out and in at each activity. Expenses incurred for reenactment purposes are 100% tax deductible. Members are encouraged to solicit sponsors or seek donations for financial assistance if needed. Those with financial issues should discuss them with the captain so some arrangements can be made.*
- 3. Tents, cooking and encampment items, horse feed and water, and blackpowder will be provided by the unit.*
- 4. Dues only partially cover the costs of unit equipment and supplies and from time to time additional fees may be needed. I agree to participate in soliciting and/or promoting sponsors and in paying my share of these expenses as approved by the unit.*

5. *I also agree to participate in regular recruitment activities. These may include approved public events, speaking activities, or flyer distribution. The unit provides financial rewards for individual recruitment activities. Members are encouraged to bring guests/potential members to all activities but their participation is restricted to observation or camp activities.*
6. *I understand that primary roles in this activity involve the use of weapons, including sabers, blackpowder revolvers and carbines, and artillery. If applying for a combat role, I certify that I am 16 or older. I agree to submit to weapons inspection on arrival for any event and agree not to use any weapon in violation of unit rules. I also understand that my unsafe use of weapons will result in my being banned from activities or dismissed from the unit.*
7. *I further understand by signing below that I am responsible for following all instructions and safety rules in weapons use in drills and reenactment activities. I agree not to engage in any activity not approved by the officers. Unit-owned weapons and equipment must be signed out and surrendered after each activity, no exception.*
8. *Whether personally owned or unit-owned, at no time will I allow spectators or minor members to handle weapons or sabers or come in contact with horses, cannon, or wagons without supervision. I hereby release the unit and its members from any and all liability for personal injury or injury caused by me or my horse to others.*
9. *If I join the mounted unit, I assume all expenses for horse, saddlery and tack, horse care supplies, veterinary expenses, and farrier expenses for my animal(s). I agree to submit proof of current Coggins testing and other vaccinations as required. I understand that I am responsible for control of my horse at all events and that I am responsible for injuries caused by my animal. While in orientation and training, I agree not to allow my horse in unapproved activities.*
10. *I certify that I have disclosed any and all health conditions that might affect my participation in this activity.*
